A grand piano is positioned on a wooden stage in a large concert hall. The piano is black with its lid open. The stage floor is made of light-colored wood. In the background, there are rows of dark grey seats arranged in a semi-circle. The walls and ceiling are also made of wood, with a grid of acoustic panels. There are several spotlights hanging from the ceiling. The overall atmosphere is warm and professional.

The image shows a spacious interior with two prominent, weathered brick columns on either side of a large, multi-paned window. The floor is made of light-colored wood with a visible grain. Through the window, a courtyard with a green lawn and several brick buildings is visible, including one with a distinctive green dome. The sky is clear and blue. In the foreground, the text 'TEEKANNE - BELVEDERE' is overlaid in white, with a white line graphic below it.
